Executive Director/CEO

Product review is conducted according to the policies in the current OMRI Policy Manual and based on the standards in the current OMRI Standards Manual. This certificate may be out of date. Verify the current certificate online at [OMRI.org](https://www.omri.org) or contact OMRI for verification. OMRI listing is not equivalent to organic certification and is not a product endorsement and cannot be construed as such. Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a USDA accredited certification agent. It is the operator's responsibility to properly use the product, including following any restrictions.
